Hi Herman, I'm copying Joanne to assist. Unfortunately, I will not be there as I have another meeting, but you're in good hands with Nick and Jo.

Best, Nhien

Nhien,

Just wanted to confirm I can bring a couple of my colleagues to attend tomorrow morning as well. The link you sent mentions registration, but I do not have the info to register through the CCA link.

Thanks,

Herman,

Apologies for the delayed response.

Information on our Innovate DTLA initiative can be found at [www.downtownla.com/innovatedtla](http://www.downtownla.com/innovatedtla). I have also attached a handout from our most recent workshop, which covers the initiative's main themes.

I also wanted to let you know that due to a change in the program, we will not be presenting at Downtown 2030, though we will be in attendance.

Regards,

Herman,

It's a pleasure to make your e-quaintance. We would most definitely like to get you involved with our Innovate DTLA initiative and other economic development efforts.

I am away on vacation through Labor Day and in Atlanta for IDA the following week, so perhaps we could schedule a meeting or lunch the week of the 12th. I would also recommend you attend the CCA 2030 Committee meeting on Tuesday the 13th from 8-9:30am where we will be making a presentation on the Innovate DTLA project.

I'm copying my research director Elan Shore who can forward basic info and links for the work we are doing.

I look forward to meeting soon.

Thanks.

Nick

Nhien - Great seeing you again and thanks so much for the recommendations.

Nick - great to meet you by email. As I mentioned to Nhien, we have several Akerman attorneys, including myself, that have start-up clients and are actively looking for ways to better serve and promote the tech community locally, so we appreciate your efforts and hope to get more involved going forward.

**Subject:** Introduction

Hi Herman, it was great to see you today. As we discussed, I'd like to introduce you to Nick Griffin from our sister organization, the Downtown Center Business Improvement District (DCBID). Nick leads the BID's economic development efforts and is also leading an innovation initiative to bring more tech-related companies to DTLA. His team also hosts monthly tours of Downtown and hosts a housing tour.

As for restaurant recommendations, definitely check [Asanebo](#) for amazing sushi, [Maradentro](#) for fish, and [Black Market](#), whose chef is Antonia Lofaso. Studio City has great eateries!

Thanks again and I look forward to your involvement.

All the best,  
Nhien
